

St. Matthew Underwriting Campaign for Haiti Mission
Please Return This Form With Your Contribution

We are asking the parishoners of St. Matthew to support the twinning. The commitment that we have to St. Pierre is significant financially and we are setting up a Haiti Fund to encourage the specific support of this mission. We would like to have parishoners underwrite a portion of the twinning commitment on a yearly basis. To give an idea of the financial commitment some amounts that can make a real difference at the school are:

- \$100 will support one **STUDENT per year;**
- \$1000 will support one **TEACHER per year;**
- \$2,500 will support an entire **CLASS per year.**
